

House Resolution No.

Whereas, the members of the Missouri House of Representatives occasionally pause in their diverse legislative endeavors in order to express to a former elective official their fondest hopes for a continued speedy recovery from major surgery; and

Whereas, Norbert “Norb” Plassmeyer of Westphalia has distinguished himself as a former Missouri State Representative and current lobbyist; and

Whereas, on March 23, 2005, Norb Plassmeyer underwent mitral heart valve replacement, a medical procedure from which he has enjoyed an amazing recovery; and

Whereas, the beloved wife of Eileen, Norb Plassmeyer is universally praised as a subtly funny guy whose humor finds an outlet in the emails which he writes to his friends and colleagues; and

Whereas, mitral valve replacement has proven once-and-for-all that Norb Plassmeyer really does have a heart despite rumors to the contrary; and

Whereas, now that he is well down the road to recovery, Norb Plassmeyer continues to think of himself as “Mr. Wizard” with equipment and mechanical repairs and to expect friends who want to fish on his property to bring a gallon of Wild Turkey; and

Whereas, Norb Plassmeyer has received a “clear arteries” report that indicates that he’ll be around for a long time as the only person to complain that his good health means that he can’t receive government funds; and

Whereas, Norb Plassmeyer seems to be obsessed with a scar that is not perfectly vertical with his body; and

Whereas, throughout all of his medical trials and tribulations, Norb Plassmeyer has had the support and encouragement of a wife who has maintained her loving vigil and attendance almost to the point of exhaustion:

Now, therefore, be it resolved that we, the members of the Missouri House of Representatives, Ninety-third General Assembly, join unanimously to applaud the amazing recovery of Norb Plassmeyer from heart valve replacement surgery and to convey to him this legislative body’s most heartfelt best wishes for continued success for many more years to come; and

Be it further resolved that the Chief Clerk of the Missouri House of Representatives be instructed to prepare a properly inscribed copy of this resolution for presentation to Norbert “Norb” Plassmeyer of Westphalia, Missouri.
